

Steppingstones Model

For High Performing DevOps Enterprises

Approach

Clear
Objectives

01

Smart
Improvement

02

People
Development

03

People & Process

Aligned
Leadership

04

Lean
Organization

05

Great Place
To Work

06

Technology Accelerators

Continuous
Integration(CI)

07

Continuous
Delivery(CD)

08

Automated
Testing

09

Automated
Autonomy

10

Automated
Reliability

11

Automated
Security &
Compliance

12

Future Proof
Infrastructure

13

Control over
Cloud Cost

14

Portfolio
Management

15
